

# Recent Durham Accolades

Durham is one of 34,000 places in the US (1,237 over 25,000 population), one of 254 cities 100,000+, one of 3,140 counties and the principal city in one of 362 MSA's. There are communities that rank higher in a category or two, but Durham is one of a handful that consistently rank high across so many different aspects. Below are some of the accolades Durham received recently as a community or as the core community for a four county MSA (Metropolitan Statistical Area as defined by the US Census).
